

# Miss Alice Stephen

Miss Stephen gained her Diploma from Dartford in 1933 and after an early career in schools she worked during the war as a Physical Education Advisor. She joined H. M. Inspectorate in 1947, having responsibility for the East Midlands Division. In 1965 she became Staff Inspector for Physical Education a post from which she retired in 1971. She was admired for her strength of character, her meticulous attention to detail and the support she gave to the Organisers and staff with whom she was working. After retirement much of her time and her energy were given to her local community which she served with integrity and enthusiasm to the end.
