MISS VERA JEANS

graduated from Dartford in 1924 and after teaching for eight years moved into the physical education advisory service; here her balanced and realistic assessments made her welcome in the schools and she made many friends.

However, to Dartford above all, the name of Miss Jeans must be synonymous with service, and there can be few who can match her loyal and public-spirited efforts for the Bergman Österberg Union over a very long period:

Committee Member	1938 - 1947
Chairman	1948 - 1954
Treasurer	1965 - 1977
Treasurer of Benefit Fund	1965 - 1986
Registrar	1977 - 1979

Miss Jeans was a member of these committees

and of the Board of Governors through the very difficult pre- and post-war years, when her knowledge and experience were given unstintingly to physical education in general and to Dartford in particular. Later, after sixteen years service as an officer of the Union, her readiness to give of her time, expertise and enthusiasm led her to accept the post of Treasurer of the General Fund and the Benefit Fund as well as that of Registrar. She remained Treasurer of the Benefit Fund until ill health forced her to retire in 1986.

The Bergman Osterberg Union was fortunate to have in Miss Jeans a loyal and principled steward, and she is remembered with gratitude.

1947 - 1947
